To Whom it May Concern:

It is my pleasure to recommend Coach Donny Pennington for your coaching position. I've known Coach Pennington for 15 years and was fortunate enough to have him as a coach, teacher, and mentor.

Coach Pennington is a great leader, excels at getting the most out of his players, and has a vast knowledge of the fundamentals of baseball. These characteristics have allowed him to develop countless numbers of players & students past, present, and future to achieve lifelong successes.

During High School, Coach Pennington was able to find me opportunities to pursue an athletic and academic future in college that otherwise would not have been possible. To this day, I have no doubt that I would not have been able to achieve any of my life successes without Coach Pennington's leadership and mentorship.

Please do not hesitate to contact me if additional information is needed at (417)-389-1997.

Sincerely,

Tyler Johnson, CPA
